## NOTICE OF SUPPLEMENTAL AUTHORITY

On June 22, 2023, the Supreme Court of the United States issued its decision in *Arizona v. Navajo Nation*, Case Nos. 21-1484 and 22-51, which concerns the scope of the Federal Government's trust responsibilities to Indian Tribes. The Supreme Court's analysis of the standard for establishing a judicially enforceable trust duty (pp. 7–13) is relevant to the United States' argument that Plaintiff's claim should be dismissed because it has not identified a moneymandating statutory or regulatory duty that could support jurisdiction. *See* ECF No. 7 at 12–27; ECF No. 14 at 2–12. A copy of the decision is attached.

Respectfully submitted this 6th day of July, 2023,

TODD KIM Assistant Attorney General Environment & Natural Resources Division
